

Seven Reasons to Sponsor

The Invest In Your Debt Seminar at your Church or organization

- 1. Practical Teaching:** Learn straightforward, practical teaching on how to get out of debt, how to live debt-free, according to Romans 13:8. We will teach:
 - a.** Learn how to break free from bondage and servitude of debt as taught in: **Proverbs 22:7** – “*The rich ruleth over the poor, and the borrower is servant to the lender.*”
 - b.** Learn “how-tos” of getting out of debt as opposed to the “whys” of debt. Many Christian financial ministries say you should be debt free, we simply show your people how to get the job done following a proven linear math, variable path methodology.
- 2.** Learn how to become Debt-Free in 4-6 years including their mortgage and do it on the money they now earn!
- 3. Our seminar helps build stronger church members.** When church members are debt free, they have much less stress in their lives and they are happier, more productive members:
 - a.** It’s a well-known fact that financial stress is a major source of conflict between couples and a leading cause of divorce. DEBT FREE families are stronger families.
 - b.** Our seminar helps to reduce job-related stress due to financial pressures. Relieving financial stress also reduces a host of other societal ills including alcoholism and drug use.
 - c.** DEBT FREE church members are able to respond more readily to the call of God in their lives. They are not tied down with financial problems.
- 4. The Local Church is made stronger.** When your people learn personally to be good stewards of the money God has trusted them with through the Invest in Your Debt program.
- 5. The Local Church Becomes A Greater Witness In the Community.** The Invest in Your Debt system produces fiscally sound citizens who contribute to society instead of draining its resources.
- 6. The Invest in Your Debt Seminar** can provide the practical means to serve that community by helping its citizens break free from debt, which strengthens the community at large.
- 7. Evangelistic Outreach to The Community.** The **Invest in Your Debt Seminar** also can serve as an outreach ministry to the all who is searching for solutions to their financial problems or to strengthen their finances.
- 8. The Invest in Your Debt Seminar** is not about getting rich. It is about empowering people to free themselves of debt bondage and be better able to live in accordance to God’s plan for them. Those who attend and put the principles to use WILL be successful and, we believe, able to live as shining examples of the abundance and blessings of our Lord.

Above all things allow God’s Holy Spirit to, guide and direct you in this learning process.

Our Mission: We help people have a successful journey through life living without debt.
